SIMONE DE BEAUVOIR INSTITUTE

Founded in 1978 to promote the understanding of the historical and contemporary situation of women in society, the Simone de Beauvoir Institute of Concordia University helps women to discover and develop their potential both by its academic base in Women's Studies and by its co-curricular activities. We are honoured that Simone de Beauvoir authorized us to use her name.

All students registered in the Major, Minor or Certificate in Women's Studies are normally members of the Institute. Other undergraduate students are welcome to become members if they undertake to complete nine credits of WSDB courses.

The co-curricular life of the Institute is extremely important and all members are expected to contribute to our activities. Exciting opportunities are available to organize workshops, colloquia, and debates on subjects which interest the members, as well as to collaborate with women's organizations outside the University on research projects and other joint ventures in which we can benefit from the experience of others.

LOYOLA OFFICE

There is an office on the Loyola Campus for professors to meet with students. It is located in AD 130-3 & 4.

READING ROOM

The Reading Room is located on the 4th floor of the Simone de Beauvoir Institute at 2170 Bishop. The Documentalist is there part-time. For more information concerning the hours, please call 848-2373 or 848-2377.

WOMEN'S STUDIES STUDENT'S ASSOCIATION

WSSA is the Women's Studies Students Association and it may be what you are looking for if:

- you would like to get to know other Women's Studies students better
- you have ideas and/or comments you would like to share
- you care about the Institute, the Women's Studies programme and the women who surround you
- or you would like to see a higher student profile at the Simone de Beauvoir Institute

WSSA plays both a functional and a social role at the Institute. All Women's Studies students may attend Council meetings, and WSSA has strong voting privileges on the governing body of the Institute. Members collaborate on various Institute committees and have been involved in the planning of curriculum, the organizing of a weekend retreat at Concordia's Lacolle Centre, and in the study of the possible implementations of a Master's programme in Women's Studies.

Equally important is the social function WSSA serves for students. Women's Studies is an area of study which can be extremely confrontational and challenging. Many of us feel the need to connect with other women to better understand, develop, and explore our emotional and intellectual growth. Women's Studies is also an area where strong bonds of friendship and caring develop between students and professors. WSSA wants to respond to the needs and interests of students by offering a realm of co-curricular activities.

If you have ideas and energy to offer, please consider getting involved with WSSA. If committee work interests you, check into being the student representative on one of the committees of the Institute. Or, why not help WSSA serve students.

For more information, call the WSSA office at 848-7449 or leave a message in our mailbox at the Institute.

SCHOLARSHIPS AVAILABLE

Among the many scholarships available to Concordia students there are three offered specifically for Women's Studies students:

THE MAIR VERTHUY SCHOLARSHIP

It was established in 1983, when Prof. Mair Verthuy left her post as the first Principal of the Simone de Beauvoir Institute. In order to show an appreciation for her work and devotion to the Institute and Women's Studies, and to recognize in a most concrete way, her skills as a teacher, mentor, initiator, and creative individual, several of her colleagues decided to establish the Mair Verthuy Fund. The purpose of this Fund is to continue Prof. Verthuy's work by offering tangible, monetary support to a student in the Women's Studies Programme. The recipient must have completed 60 credits with a minimum overall GPA of 3.0; of the completed credits, at least 30 must be from Women's Studies courses with a minimum 3.5 GPA.

THE PROVOST SCHOLARSHIP - SIMONE DE BEAUVOIR INSTITUTE

This scholarship is awarded each spring as an entrance scholarship for a student entering the University and the college the following September. It can also be used as an additional entrance scholarship for students who have successfully completed at least one year of college work.

THE MARJORIE S. DEWITZ BURSARY

This bursary is awarded to a full-time female undergraduate student doing a combination of either Major/Minor in Women's Studies and Political Science. The student must have completed 24 credits of her programme and be academically deserving and financially needy. The applicant must also be a Canadian citizen or permanent resident.

OTHER SCHOLARSHIPS WHICH ARE AVAILABLE ARE:

FALL ENTRANCE SCHOLARSHIP

A number of scholarships are available to students entering their first year of full time study. These are awarded by the University Scholarship Committee on the basis of academic achievement during the last three semesters of CEGEP or the equivalent. Applications are available from the Financial Aid Office. Application deadline is March 1.

JANUARY ENTRANCE SCHOLARSHIP

A number of scholarships are awarded to students entering Concordia in January. Applications are available from the Financial Aid Office. Application deadline is November 1.

MATURE STUDENTS ENTRANCE SCHOLARSHIP

This programme is intended for students entering a 108-credit programme. These students may apply for an entrance scholarship when they enter the 90-credit programme - i.e. have completed 18 credits. Applications are available at the Financial Aid Office. High academic standing is the only criterion for such an award.

FOR MORE INFORMATION ON SCHOLARSHIP, LOANS, AND BURSARIES CONTACT THE FINANCIAL AID OFFICE AT 848-3507 or 848-3522.

KEY TO THE SYMBOLS USED IN THIS BOOKLET

The courses for the Women's Studies programme are listed under Women's Studies/Simone de Beauvoir and carry the code: WSDB. IN previous years, the codes for our courses were either SDEB or WMNS.

UNDERSTANDING THE NUMBERING OF COURSES

EXAMPLE: WSDB 290/2 Sec. AA

The WSDB indicates that the course is in Women's Studies.

The 290 indicates the level of the course:

- i.e. 200 courses are at the introductory level
- 400 courses are at the more advanced level

The /2 is the term when the course is given:

- i.e. /1 is given during the SUMMER session (3 or 6 credits)
- /2 is given during the FALL session (3 credits)
- /3 is given during the FALL & WINTER sessions (6 credits)
- /4 is given during the WINTER session (3 credits)

The Sec. AA is an indication of the campus where the course is held and the time of day. Courses offered on the Loyola Campus have numbered lecture, lab, tutorial, and studio designations (e.g. 01, 02, 51, 52) while courses on the Sir George Williams Campus have lettered section designations (e.g. A, B, AA, BB).

SINGLE digit (with a zero) or single letter indicates daytime courses.

DOUBLE digits or double letters indicates evening courses (after 4pm).

CREDITS EXAMPLE: WSDB 290³

When you see a course number with a superscript (as in the example) the superscript indicates the number of credits for that course. In the above example, the superscript "3" indicates that this is a 3-credit course.

An asterisk "*" after the numerical superscript indicates that these courses are special topic courses offered from time to time. A student may take this kind of course for credit more than once as long as the subject matter is different as indicated by the letter following the number:

- i.e. WSDB 398A/1 - Women and Madness: Whose Definition?
- WSDB 398B/2 - Native Women
